Our Solution

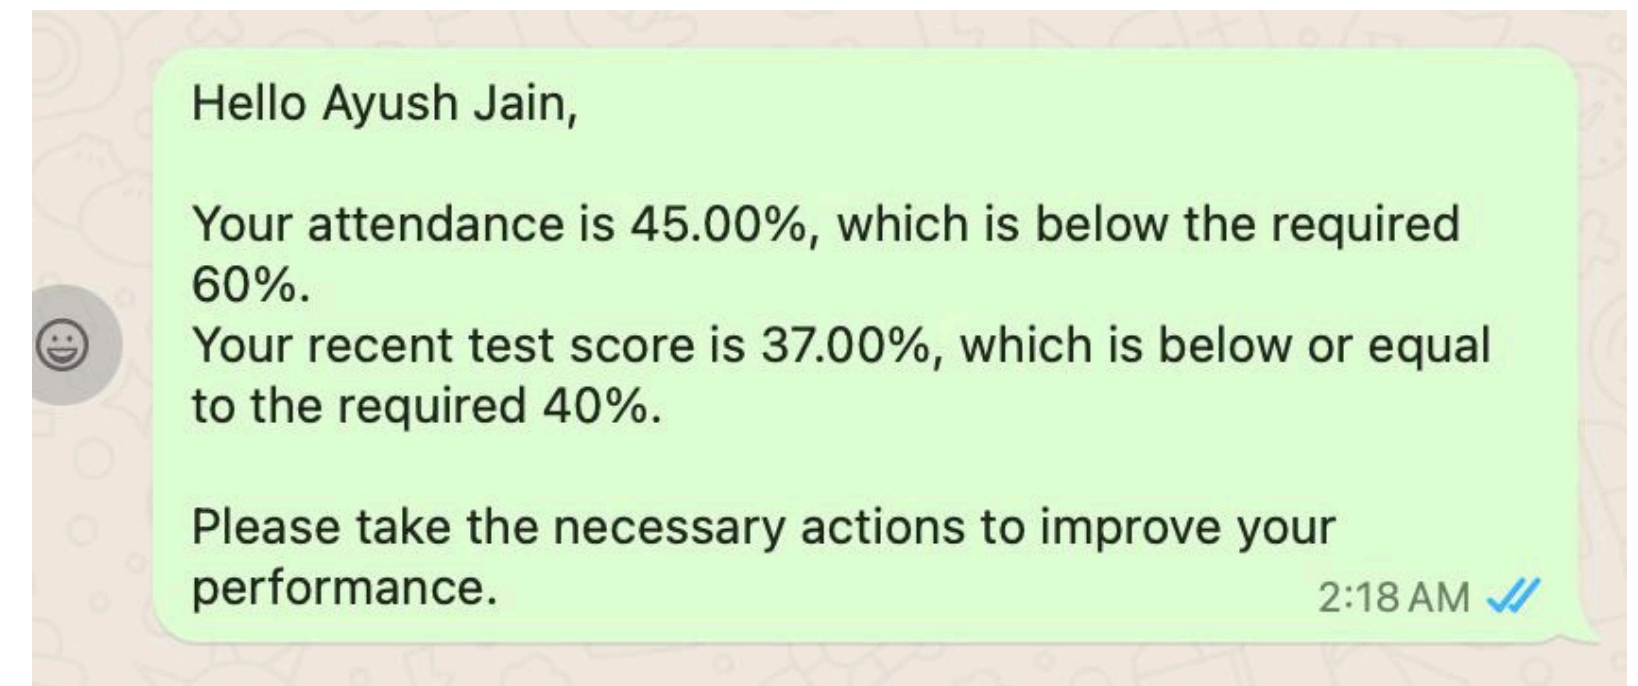

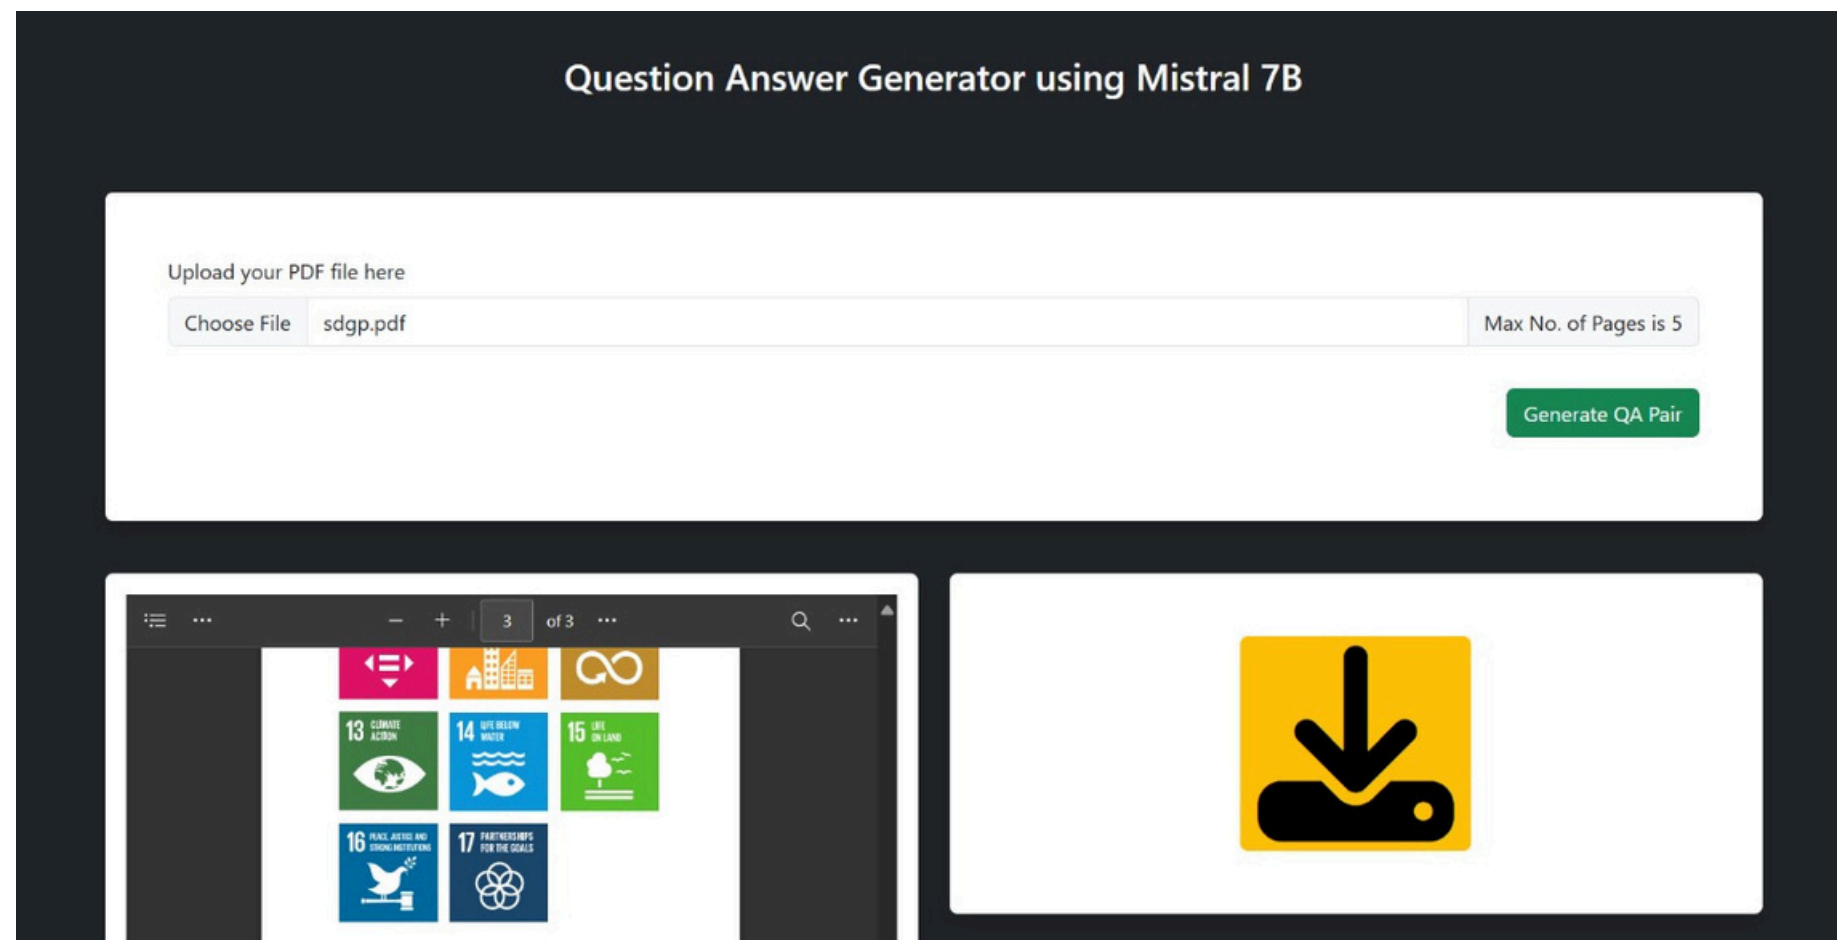

- **Progress Tracker for Validating Student Study Pattern**
- **Integrated Mentor - Mentee Mapping**
- **Automated Assignment Generation Tool**
- **Managed the User Data with Postgresql**
- **WhatsApp Message Alert system**

Architecture

Integrated Innovation

- Automated Assignment Generation Tool
- WhatsApp Message Alert system

Challenges Faced

- Integration of diverse tech stacks on a single platform.
- Dealing with automated message system.
- Implicit mapping of mentors as per user interests.

Future Scope

- Mentor-Mentee Feedback System.
- Discussion Forums.
- Automated Verification.

Values

- Inclusion
- Diversity
- Equity
